## MEDICINAL.

## VEGETINE

FOR DROPSY. I NEVER SHALL FORGET THE FIRST DOSE.

Providence.

Mr. H. Stevens:

Dear Sir—I have been a great sufferer from dropsy. I was confined to my home more than a year. Six months of the time I was entirely helpless. I was obliged to have two men help me in an out of bed. I was swollen 19 inches larger than my natural size and lived. I tried all remedies for Dropsy. I had three different doctors. My friends all expected I would die many nights I was expected to die before morning. At last Vegetine was sent me by a friend. I never shall forget the first dose. I could realize its good effects from day to day. I was getting better. After I had taken some 6 or 6 bottles I could sleep quite well nights. I began to gain now quite fast. After taking some 10 bottles I could walk from one part of my room to the other. My appetite was good; the dropsy had at this time disappeared. I kept taking the Vegetine until I regained my usual health. I heard of a great many cures by using Vegetine after I got out and was able to attend to my work. I am a carpenter and builder. I will also say it has cured an aunt of my wife's of Neuralgia, who had suffered for more than 20 years. She says she has not had any neuralgia for eight months. I have given it to one of my children for Canker Humor. No doubt in my mind it will cure any humor; it is a great cleanser of the blood; it is safe to give a child. I will recommend it to the world. My father is 80 years old, and he says there is nothing like it to give strength and life to an aged person. I cannot be too thankful for the use of it. I am.

Very respectfully yours,

JOHN S. NOTTAGE.

## ALL DISEASES OF THE BLOOD.—If Vegetine will relieve pain; cleanse, purify, and cure such diseases, restoring the patient to health, after suffering different physicians, many remedies and suffering for years, is it not conclusive proof, if you are a sufferer you can be cured? Why is this medicine performing such great cures? It works in the blood, in the circulating fluid. It can truly be called the Great Blood Purifier. The great source of disease originates in the blood; and no medicine that does not act directly upon it to purify and renovate, has any just claim upon public attention.

## VEGETINE

LOWE MY HEALTH TO YOUR VALUABLE VEGETINE.

Newport, Ky., April 29, 1877.

Dr. H. Stevens, esp.

Dear Sir—Having suffered from a breaking out of Cankersores for more than five years, caused by an accident of a fractured bone, which fracture ran into a running sore, and having used everything I could think of and nothing helped me until I had taken six bottles of your valuable medicine, which Mr. Miller, the apothecary, recommended very highly. The sixth bottle cured me, and all I can say is, that I owe my health to your valuable Vegetine.

Your most obedient servant,

ALBERT VON ROEDER.

"It is unnecessary for me to enumerate the diseases for which the Vegetine should be used. I know of no disease which will not admit of its use, with good results. Almost innumerable complaints are caused by poisonous secretions in the blood, which can be entirely expelled from the system by the use of the Vegetine. When the blood is perfectly cleansed the disease rapidly yields; all pains cease; healthy action is promptly restored, and the patient is cured."

## VEGETINE

CURED ME WHEN THE DOCTORS FAILED.

Cincinnati, O., April 10, 1877.

Dr. H. Stevens:

Dear Sir: I was seriously troubled with Kidney Complaint for a long time. I have consulted the best doctors in this city. I have used your Vegetine for this disease, and it has cured me when the doctors failed.

Yours truly,

ERNEST DURIGAN, Residence, 621 Race st. Place of business, 573 Central avenue.
